REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE BENNINGTON SCHOOL BOARD

Herewith is presented the annual report of the Superintendent of Schools to the School Board and citizens of the Bennington, N. H. School District:

Due to the fact that the anual report covers a school year which runs from July 1 to the following June 30, your present superintendent is making the report coverint the superintendency of two others, and for a year in which he was not superintendent of schools.

It often seems inconvenient that a report should cover a period which has passed into history eight months before the report appears in print. Such being the case, however, we must ask you to remember that the year covered by this report closed on June 30, 1934.

Mr. Lawton Chase had been Superintendent of Schools for this district for a number of years, up to the time of his death in February, 1934. He was an able, conscientious worker, and his death was deeply regretted by his co-workers. He was followed by Mr. John Sinclair, who had had previous experience as a New Hampshire superintendent. Before the close of the year the Peterboro Supervisory Union was broken up and Bennington was joined to the Hillsboro Union.

Miss Mae Cashion returned as Principal of the building and teacher of Grades 1, 2, and 3. Miss Lulu M. Cilley again taught Grades 4, 5 and 6, Miss Ruth A. Putnam the 7th and 8th grades, and Miss Mabel Metze taught Grades 9 and 10 in the Pierce High School.

Schools were in session 179 days, almost reaching the desired standard of 180 days. I find that 21 visits were made by the Superintendent, 20 by the School Nurse, 14 by School Board members, and 116 by parents and friends.

The following table gives some desirable information worthy of preservation:

Grade	Avg. Membshp.	% Att'd	Honor Roll	Tardiness per pu.
1—3	27	96.5	1	0.1
4—6	27	97.6	1	1.2
7—8	17	97.1	1	0.6
9—10	21	97.1	3	1.4

The percentage of attendance was high, especially high in Miss Cilley's room and the pupils, parents and teachers should be congratulated upon their promptness in attendance. Miss Cashion's pupils had a tardiness record per pupil of only 0.1, very near perfection.

The average attendance was 92, but there were in all 97 children in attendance during the year. I found no record of the number attending high schools in other districts, or the number attending post secondary schools, all of which would give our total school population.

Those who were neither absent nor tardy during the entire year constitute an honor roll of perfect attendance.

Roll of Honor

Teachers	Pupils
Miss Mae Cashion	Bertha Champney
Miss Lulu Cilley	Mae Sheldon
Miss Ruth Putnam	Phoebe Champney
Miss Mabel Metze	Eunice Bartlett
	Harry Dunbar
	Alice Sylvester

Other comments on the condition of the schools would be made if the writer had been Superintendent during the time covered by this report. He wishes to express appreciation of the hearty cooperation he has received since taking up the work.

Respectfully submitted,

A. A. HOLDEN.

The child health recovery program allotment was $34.84

Glasses for 2 pupils	$18 00	
Dental corrections for 10 pupils	16 84	
		$34 84

The splendid cooperation which we have received from physicians, hospitals and dentists made it possible to complete many health projects in a very short time. Regular clinic cases were done simultaneously with those eligible under Child Health Recovery Program.

It is expected that the audiometer will be available for hearing test before the end of the year.

About 35 home and official visits were made, chiefly to arrange with parents for correction of defects and, when necessary, to accompany pupils to physicians or hospitals for treatment.

Respectfully submitted,

MARGARET E. HARRIS, R.N.
